Bangalore, India | harisuxd@email.com | +91 9539966867 | <https://www.harisdesign.in/> | <https://www.behance.net/harishdesign> | <https://www.linkedin.com/in/harishdesign/>

PROFESSIONAL SUMMARY

Results-oriented UI/UX and Visual Designer with over 10 years of experience in graphic design, brand identity, and digital product design. Proven ability to create intuitive user experiences, develop impactful visual designs, and strengthen brand presence across digital platforms. Skilled in user-centered design, wireframing, prototyping, and visual storytelling, with a strong focus on delivering design solutions that align with business goals and enhance user engagement.

WORK EXPERIENCE

UI/UX & Visual Designer

ClinicPro, Kozhikode, Kerala

November 2023 – Present

- **UI/UX Design:** Led end-to-end product design for mobile applications, developing scalable design systems, wireframes, and interactive prototypes to improve usability and streamline user journeys.
- Improved user flow efficiency by optimizing user journeys and reducing friction in key workflows.
- **Product & Experience Design:** Designed intuitive interfaces for internal healthcare and sales tracking systems, enhancing workflow efficiency and user experience.
- **Branding & Visual Design:** Created and maintained brand identity systems and marketing creatives, ensuring consistent and impactful visual communication across digital platforms.
- **Cross-functional Collaboration:** Worked closely with developers and stakeholders to deliver high-quality, user-centered solutions aligned with business goals and timelines.

UI/UX Designer

Innoviti Technologies Pvt. Ltd

November 2021 – December 2023

- **UX Strategy & Problem Solving:** Led UX discovery by defining problem statements and “How Might We” (HMW) frameworks to drive structured, user-centered solutions for fintech products.
- **Wireframing & User Flows:** Designed high-fidelity wireframes and optimized end-to-end user flows, reducing complexity in digital payment experiences.
- Simplified payment experiences, contributing to smoother transaction flows and reduced user errors.
- **Product Design:** Delivered scalable and intuitive interface designs for payment platforms, improving usability and ensuring seamless user journeys.
- **Collaboration & Execution:** Partnered with product managers and developers to translate business requirements into effective design solutions and ensure timely delivery.

Visual Designer

Rubiksoft Technologies LLP.

April 2019 – October 2021

- **Branding & Visual Design:** Designed logos and developed comprehensive brand identity systems, strengthening brand consistency across digital and print platforms.
- **Front-End Development:** Built responsive and user-friendly web interfaces using HTML5, CSS3, and Bootstrap, ensuring cross-device compatibility and improved performance.
- **Collaboration & Delivery:** Worked with developers and clients to translate design concepts into functional digital experiences, aligning with business goals and user needs.

Graphic Designer

Interaxis Networks Pvt. Ltd

November 2013 – February 2019

- **Branding & Visual Design:** Led the development of brand identity systems and designed a wide range of digital and print assets, strengthening brand consistency and visual impact across platforms.
- **Graphic & Print Design:** Created marketing collaterals including brochures, posters, and print-ready materials, supporting business promotions and client communication.
- **UI Design:** Designed user interfaces for Android and iOS applications, improving usability through clear visual hierarchy and modern design standards.
- **Product & Digital Design:** Contributed to digital product design by creating engaging visual assets for web and mobile platforms, enhancing overall user experience and interaction.
- **Collaboration & Delivery:** Partnered with clients and cross-functional teams to deliver high-quality design solutions from concept to final execution within deadlines.
